

# Decision Making *and* God's Will

---

**H**ow many times have you asked yourself, "What is God's will for me in this decision"? If it's a big decision, we may pray and ask God to show us what we should do. If it's a small decision, we sometimes wonder if we should bother God with it. In either case, how does one make effective decisions that are in God's will? What does the Bible tell us about knowing God's will?

## Biblical Facts About God's Will

3. God's will can be resisted (Jonah 1:3).
4. God can overcome resistance to His will (Jonah 3:1-3).
5. God wants you to know His will (Acts 22:14).

Not waiting for God but acting too quickly on your own (Proverbs 19:2b).

4. Emergency-only thinking

Thinking that God reveals His will only when we face big or critical decisions.

5. Paralysis-by-analysis

1. God's Sovereign Will.

God's total plan that determines everything that happens in the universe. It includes everything revealed and not revealed in the Bible.

3. God's Individual Will.

## God's Sovereign Will

This includes everything God chooses to do. It may be disclosed in the Bible or hidden from us for a reason. Because he is God he can do whatever he pleases.

*"He does what he pleases with the powers of heaven and the peoples of the earth. No one can hold back his hand or say to him: 'What have you done?'" Daniel 4: 35*

Example: It is God's will that Jesus Christ return again to earth but He has not revealed the exact date to us.

### Ten Misconceptions About God's Individual Will

1. The Psychic Concept.

God's will is always revealed through my feelings.

2. The Mystic Concept.

God's will is always revealed through supernatural signs.

3. The Cookbook Concept.

God's will is always found by following a systematic procedure.

4. The Shell Game Concept.

God is hiding His will and we must find it.

5. The Syllabus Concept.

God reveals His will for an entire life of an individual, much like a teacher hands out a syllabus for an entire college class.

6. The Celestial Killjoy Concept.

God is a cosmic scrooge who sends those seeking His will to places like an obscure African jungle where the heat is unbearable, the language unspeakable, the food indigestible, and the snakes inhospitable.

7. The Bionic Missionary Concept.

God only reveals His individual will to superhuman Christians whom He calls to be missionaries.

8. The White-Hair Only Concept.

God reveals His individual will only to those who are older, more mature Christians.

9. The Presidential Problem Concept.

God reveals His will only for the earthshaking choices in our lives (who to marry, what career to pursue, etc.).

10. The Dot Concept.

God's will is like a "dot" in that I must discover His specific will for *everything I do* as an individual. God makes all decisions based on His individual will for me, and I make none.

In the table below, insert the key words that express the believer's freedom to make decisions.

Scripture	Key Words/Phrases

Genesis 2:16	

## Seven Ways to Discover God's Individual Will

1. The Bible

While the Bible does not reveal God's individual will for every decision the believer is to make (the dot concept), whom to marry, what career to pursue, etc., it does reveal God's moral will (the circle). Within God's moral will we are free to make choices.

2. Circumstances

Open and closed doors are two most obvious ways that God uses to reveal His will for you. For instance, if you apply for a job, and several turn down your application, you should probably conclude that God is closing doors and saying, 'No.'

3. Inner Witness

The inner witness is that ministry of the Holy Spirit in which He guides the believer through personal impressions, and inner peace within the heart, to reveal God's individual will.

#### 4. Mature Council

God's individual will can be revealed through other mature, Bible-believing Christians whose walk is consistent with God's word. The Holy Spirit is to be the final Counselor, however.

#### 5. Personal Desires

Our real desires will correspond perfectly to His will when we are living in obedience to His Word.

#### 6. Common Sense

Sometimes you may feel that you are being led to do something which doesn't make sense to you. Guidance, which appears to go against common sense, should be followed only if the Lord gives you very clear and definite leading.

#### 7. Special Supernatural Guidance

This type of guidance can come through an audible voice, an angel, a vision, a trance, a dream, a prophecy, or a miracle. The book of Acts records only a handful of such experiences (Acts 8:26; 9:3-6; 10:3, 10; 13:2; 16:9-10). With the completed Word of God, and the indwelling Holy Spirit, a strong case can be made that such guidance is no longer needed; however, we should not say that this type of guidance never occurs.

### Three Primary Principles of God's Will

#### Principle #1

In those areas specifically addressed by the Bible, the revealed commands of God (His moral will) are to be obeyed.

#### Principle #2

In those areas where the Bible gives no command or principle, the believer is free and responsible to choose his own course of action. Any decision made within the moral will of God is acceptable to God. The objective of the Christian is to make wise decisions on the basis of spiritual expediency. Refer to the previous topic "*Seven Ways to Discover God's Individual Will.*"

#### Principle #3

In all decisions, the believer should humbly submit, in advance, to the outworking of God's sovereign will as it touches each situation.
